President's Comments

There is only one way to describe the T.Q.O.C. Inc. Conference – it was b.... ripper. We experienced a couple of minor glitches but overall it was great. A few more volunteers would have eased the load on the experienced members, but it was great to see the number of “Novices” who helped. I would like to individually thank all of those who assisted, but I am bound to overlook somebody. However to the following I extend my deepest appreciation – Warren, Clara, Joan, Jean W, Jeffrey K, Noel, Rodney, Barbara, Ted, Charles, Mavis, Lyn & Wal C, Tom & Delia, Treasurer Charles and barbecue cooks Brendon, Peter, John and all of their helpers. I personally thanked Secretary Jean at the dinner as she worked tirelessly night and day for many weeks. Congratulations to all concerned – particularly the prize winners. I must admit that I am pleased it is over, the more so for it being so successful.

Now we can settle down to seeing the extension finished and our meetings made more interesting. Perhaps we could plan a second floor for the hall ???- over my D.B. ‘Tis a shame the publicity has been more effective after instead of before.

The “wheel-barrow” raffle was worth more than a thousand dollars with winners as follows:-

- 1st L Elliott – 11 Senna Place, Kirwan 884878
- 2nd Marie-France Mack T.O.S. Inc. 884543
- 3rd Jamie Stockdale, Stableford 883925
- 4th B Matherson, Bushland Beach 884727
- 5th Sue Burgess, Saunders Beach 883981

Marie-France Mack also won a prize in one of the other raffles – she’ll come again. Another pleasing feature was the donation of plants and other goods for raffle prizes or the auction. Particularly I would like to thank John Welsh of Nu Leaf Nursery Supplies, Cairns; Aranbeem Orchids of Deception Bay; Burbank Nursery of Mt Gravatt/Capalaba and of course Bunnings for the wheel-barrow and contents. Quite a few others gave smaller items – Day Dawn – Universal Hardware- Coles – Super Cheap Auto – I.G.A. – Proserpine Orchid & Foliage Plant Society Inc. and others.

This is written in a hurry to catch this month’s Bulletin and I must confess I have been nodding off, so I will close, leaving any other comments for next month. Happy Orchid Growing.

Growing Competition

The *Blc.* Dal's Kew 'Drummer Boy' x *Bc.* Dal's Charm (from Burbank Orchids) growing competition is now in full swing. **Leading the pack in May was Stephen Fay with a height of 24cm**, with Alison Knowles close on his heels at 21cm. Third place on 19cm was Joan MacIntyre.

Do not forget to bring you orchid along to either of the meetings and join in the fun. (As we are a bit busy with the shop at times, you may measure the height of your own plant and record it on the sheet provided.)

Jeff and Alison Knowles

A warm welcome to our new members June and Stacey Cairns.

Singapore Trip update

The World Orchid Conference, 2011 is proving to be a popular destination already. I notice that Murray (Easy Orchids) is organising a group trip there, and our friends from Darwin, who came across for our TQOC show are already planning their group travel. **Townsville will also be well represented there – won't we!**

The latest travel information from Jane is on Travel Insurance. (Ironically I have just heard of a local traveller who went to Italy without travel insurance, got hit by a scooter, broke her leg, and is still there.)

“Medical services in Singapore are excellent but expensive. As Medicare does not cover you, travel Insurance is strongly recommended. It is important that the policy be taken out when a booking is made to cover any cancellation penalties that may apply from that time. You must read the conditions of the insurance carefully to make sure you are adequately covered. Some pre-existing medical conditions are automatically covered but there are some conditions that may require you to fill out a medical appraisal form. Of course, travel insurance also covers many other items such lost or damaged luggage, amendment fees and additional expenses.”

Jane also informed me that she is retiring in July. I thank her for her help, wish her well and welcome her to the retired club. Maybe she will take up growing orchids?

Novice/New Growers Report

The monthly meeting of the Novice New Growers Group was held on the 25th April at the Townsville Orchid Society Inc. Hall, Charles Street, Kirwan and was again well attended by our members which also included several visitors.

The main topic for the afternoon's proceeding was on the growing of the *Vandaceous* Orchids in which one of our members Noel Grant gave a very detailed account of their habit and the many ways which is needed to bring these beautiful orchids into full bloom. Noel with the help of his daughter had featured a power point display for us of his and Maureen's recent holiday in Thailand visiting several orchid nurseries and their other exciting adventures. We would like to thank Noel for such a very enjoyable programme. It was very pleasing to see the number of flowers that the members displayed for the Popular Vote Competition and the winners were Michael & Lyn Gudge 1st, 2nd & 3rd in the Novice Section and the Open Section was Stephen Fay 1st&3rd with Neita Coulson 2nd. We would like to thank all the members who so willing gave their time and effort to help our Society with the running of the Tropical Queensland Orchid Conference in Townsville last week-end. It does show that some members are still prepared to help the Society and we are very grateful for their help in this way. Our thoughts and best wishes go out to all the members who are not enjoying the best of health at the present time especially one member's husband who has been seriously ill lately so we hope and trust that everybody is now on the way to a speedy recovery.

Just a little reminder to all members of the Novice/New Growers Group that our Winter Show will be held on the 16th 17th & 18th July and all plants with your number on the back of the label can be brought to the hall on Thursday 15th July. All plants need to be tabled no later than 6.30pm for judging that night. **Please remember there will be a Grand Champion and Reserve Champion for the Novice Section with prize money attached.**

Best wishes to a special lady who will celebrate her 80th Birthday on the 8th of July. Happy Birthday Jean W.

Last of all we would thank everybody for their wonderful support for the afternoon tea and your generous donations of items for the Multi Raffle Table and Ticket Sales.

Warren and Clara Sewell

KNITTING

A highway patrolman pulled alongside a speeding car on the freeway. Glancing at the car, he was astounded to see that the blonde behind the wheel was knitting!

Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, 'PULL OVER!'

'NO!' the blonde yelled back, 'IT'S A SCARF!'
