Registrar's Choice – Best Hybrid Paph. Vanguard R Rasmussen 81

Registrar's Choice – Species: Paph. *spicerianum* C&J Lee 79

Registrar's Choice – Specimen Bulb. *auratum* W&J Nicholson

<u>TOWNSVILLE ORCHID SOCIETY INC.</u> <u>MINUTES FROM GENERAL MEETING HELD</u> 25.05.2012

Meeting Opened:

7.34pm.by W Nicholson who asked for a Minute's Silence for our late member David Baudistel.

<u>Minutes:</u> of Previous Meeting Moved a True Record by C Berzinski. Seconded by G Christophers. Carried.

Correspondence: Inwards:

CBA/Cheque A/c Statement; North Qld News/A/c; Southern Cross/A/c; Amanda Gray/Advertising Consultant/Bulletin; <u>Outwards:</u> W Sewell & F Marnock/Membership information; J Knowles/NewLeaf order/pots.

Bulletins Received From:

Nightcliff; Mackay; Rockhampton; Herbert River; McLean; Toowoomba; Boyne-Tannum; Litchfield; Gold Coast; North Brisbane; Atherton Tablelands; Cairns;West Moreton; E.D.O.S.; Ipswitch; NSW O.S.;Childers & Isis. Moved by J Nicholson that Inwards Correspondence be Received and Outwards Correspondence be Confirmed. Seconded by J Rutledge. Carried.

<u>**Treasurer's Report:**</u> given by C Lee who Moved that his Report be Received and Cheques written Confirmed. Seconded by M Bloom. Carried.

Business Arising From Treasurer's Report: C Lee asked that some thought be given to filling positions at the A.G.M. in October as President and Secretary have been serving for some time.

April Registrar's Choice Certificates presented – both Species and Hybrid given to M&N Grant.

Show Roster circulating for Winter Show. E Boon is revising show schedules for T.O.S. Inc. and T.Q.O.C. Inc. E Boon showed an unusual Orchid, allied to Lycaste and Gongora orchids – Perfinia Christata x herrerae. Only three species in this group - Christata. Grandiflora and Regrosa – he won plant in a raffle in Cairns – will watch how it grows here.

Following the tea break E Boon gave a commentary on the Tabled Plants.

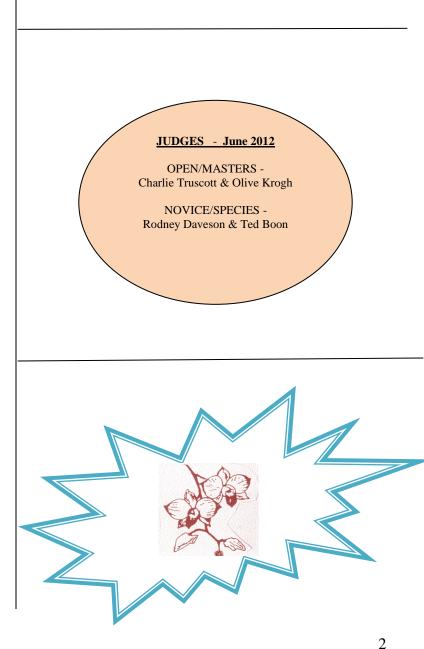

<u>Registrar's Choice: Hybrids:</u> Paph. Vanguard owned by R Rasmussen gaining 81 Points.

Species: Paph. *spicerianum* owned by C & J Lee, gaining 79 Points.

Specimen Plant: Bulbophyllum *auratum* owned by W&J Nicholson. Congraulations to all members.

<u>General Business</u>: No news for grant for Solar Power additions – will probably pay for same ourselves. Air-conditioning to be looked at in the future. Winter Show in July.

Lucky Door & Raffle: drawn by J Rutledge. Meeting Closed; 9.30pm.

President's Comments:

Because I had received little support for celebrating the Society's 65th Birthday, very little has been done, but now the Management Committee is firmly behind it, so our usual July Dinner (Christmas in July) will also celebrate our 65 years. We will let you all know at, or before the June meeting, about costs, catering etc., but the date will be 27 July.

You will find elsewhere in this newsletter/bulletin advice about the date of our June meeting being changed to fifth Friday (**29 June**) instead of fourth Friday, due to a misunderstanding about a hall booking – **just this month only**.

At the May meeting our Treasurer, Charles, commented about the work load being undertaken by the President and Secretary, with a plea for assistance. Unfortunately a few members interpreted Charles's comments as an indication that Jean and I intended to step down. This is not the case, even though the work pressure needs to be shared, so that we are not burned out. Many of our extraneous duties could be shouldered by others. As a matter of fact the Treasurer is also under pressure with a fulltime job as well.

For a long time we have not had an Assistant Secretary, or in fact, an Assistant Treasurer – Publicity Officer, as well the Finance & Property roles have been added to the President's duties. No doubt these officers will give in before they are a lot older, so what about a few understudies please come forward while there is time to learn.

Wal Nicholson

Novice/New Growers Report:

After several cold, rain and windy days, the afternoon meeting for the Novice New Growers Group held on the 27th May in the Townsville Orchid Society Inc. Hall, Charles Street, Kirwan turned out to be a bright and sunny day for us. There were 51 members present to view a Power Point slide programme on the Phalaenopsis genera which was assembled by Stephen Fay for our afternoon proceedings.

Steve who regards his phallys as his family, and he has a wonderful display of phalaenopsis plants with a magnificent arrays of coloured flowers with long arching sprays in his shade houses. He has also been a great help to all our members who may have a problem with the growing their phalaenopsis plants.

Noel then gave a talk on the three Vandacious orchids that he had brought along to the meeting. I would like to thank Steve and Noel for their valued information and help at the meeting.

I had a phone call from Patricia Crawford who had her second knee replacement recently and is slowly recuperating. Mighty effort for a 90 year lady and we hope to see you soon. Also are thoughts and best wishes go out to all the members who are not enjoying the best of health at the present time and we hope there are better days ahead for all of you.

The Popular Vote Competition results were in the Novice section, Peter Lucke was $1^{st} \& 2^{nd}$ with Peter Lucke, Peter Cooper and Tina Phillips tied for 3^{Rd} .

In the Open section John Ruthledge and Stephen Fay tied for 1^{st} placing.

The Winter Show is on again next month, so now is a good time to check out your plants as we will need all the flowering orchids we can get to be able to show them off to the general public.

Once again we were treated to a wonderful afternoon tea and our thanks go to all the members for their contribution on this matter. Thank you for your many donations for the raffle table prizes and for supporting the raffle ticket sales.

MEMBER'S CORNER

BIRTHDAY WISHES

The TOS members wish the following birthday boys and girls a very happy birthday with many more to follow:

Birthday Wishes to:

Lyn Carlill	2 June
Noel Hardwick	7 June
Ann Scholl	12 June
Donna Marnock	21 June
Allan Hughes	25 June

TOS 65[™] BIRTHDAY CELEBRATIONS & CHRISTMAS IN JULY.

All members are invited to join in the celebrations:

Date: Friday 27th July

- <u>Time:</u> 6:30pm for 7pm (a short meeting to start)
- <u>Cost:</u> \$10 Members & spouses (pp) \$28 Non members & spouses & visitors (pp)

Where: TOS Hall

<u>In Noel's Bush House 6</u> *Cattleya maxima* (Lindley 1831)

My plant of *Cattleya maxima* is in full bloom as I write – with two huge flower spikes greeting me as I enter my bush house, which is filled with its perfume.

Although *Cattleya labiata* was the first *Cattleya* species described botanically, *Cattleya maxima* was actually the first discovered by European explorers in the jungles of South America. It was found in 1777, 44 years before *C. labiata*, by Spanish botanists Hipolito Ruiz and José Antonio Pavon, who were exploring in what is now Peru and Ecuador.

They sent dried specimens of the plant back to Spain, but nothing was done with them for over 50 years. They were eventually taken to John Lindley, who decided they were a new species of *Cattleya*, and gave them the name *Cattleya* maxima.

"Maxima" means "the largest", which seems inappropriate, as many *Cattleya* species have flowers larger than *C. maxima*, but when Lindley described the species, only four bifoliate species (*C. forbesii*, *C. intermedia*, *C. guttata* and *C. loddigesii*) and one large-flowered species (*C. labiata*) had been described botanically.

The bifoliate cattleyas had flowers less than 4 inches (100mm) across, and the *C. labiata* described in 1821 was poorly grown and the flower was two thirds its usual size. In 1831 then, a *C. maxima* with a 7-inch (175mm) flower was the largest *Cattleya* species around.

There are two varieties of *Cattleya maxima* – the "upland" which has short, plump pseudobulbs and three to five dark lavender flowers, and the "lowland" with longer (up to 50cm) pseudobulbs and pale to medium lavender flowers – up to 20 flowers on each spike.

My plant is the "lowland" variety.

Noel Grant June 2012 Ref: "The Classic Cattleyas" by A.A. Chadwick and Arthur E. Chadwick

Please add your name to the roster. If you are unable to attend as shown below <u>PLEASE</u> Advise Secretary Thank you		TOWNSVILLE ORCHID SOCIETY INC <u>WINTER SHOW</u> 13 – 14 – 15 JULY 2012			Please see the kitchen staff to order sandwiches which are available each shift. Tea & Coffee also available.
