President's Message:

As our year draws to a close, I would like to thank everyone for supporting me as your President. I think it has been a successful time, with quite a number of new members joining us throughout this time. I wish them well with their interest in growing orchids and welcome their friendship and help at our shows and meetings.

Many thanks go to all the hardworking members of the Management Committee who make all decisions with the good of our Society in mind.

A special thanks to Joan and the ladies who work in the kitchen, whose support is always there at shows and meetings.

Thanks to Jeff and Alison who give their time to run our shop which is very convenient for all.

There have been several of our senior members who have not enjoyed good health lately and I wish them well in the future.

I would love to see all positions filled at our coming Annual General Meeting as it makes it easier for those who always put up their hands to help out without a second thought. I am retiring from Committee work this year but will still be around to join in events in the future.

Jean Nicholson
