Novice/Species

Charlie Peter

The President's Comments

Hello everyone,

Easter is upon us, and I sit here in beautiful Cooktown overlooking the Endeavour River watching the sunset over the water and the crocodiles sneaking through the river.

The Ingham Field Day has come and gone, and we all had a wonderful day. The Hinchinbrook club as always put together a great day and the food was fantastic. The members on our bus bought up well, as the cargo bay of the bus was packed full of foliage and orchids.

Bowen Field Day is coming up on Sunday 15th May, so for those who would like to go, please let us know by 8th May. Costing is \$40 per member plus \$10 for lunch, All payments must be made by 8th May, either online (bank details are shown above) or at the shop at the April meeting.

Our Autumn Show is also coming up on Friday 29th April, Saturday 30th April and Sunday 1st May. For those who would like to help out on the roster, please email Stacey flosschicken@gmail.com and she will be able to slot you into the roster. Help is required for Box Day at the TOS Hall on Friday 22nd April at 9am – on Box Day we cut up the donated boxes into manageable sizes to be used at the Show. Bring your Stanley knife!

Our guest speaker for the April meeting is Chris Cobb, whose topic will be Queensland Dendrobium species. Chris is a well-known orchid grower from Cairns and has offered to do the lecture for us. I am looking forward to hearing from him.

I hope everyone has a fabulous Easter, but don't eat too much chocolate! I will see you at the April meeting on Sunday 24th April.

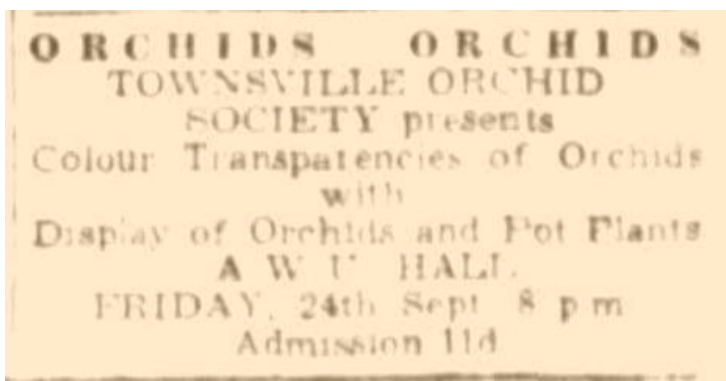

Happy growing and stay safe. Robyn Dundas

75th YEAR ANNIVERSARY of Townsville Orchid Society, 20th June 1947 to 2022 Second Article

By 1948, TOS membership had increased from 21 to 49. Activities revolved around the monthly general meetings which were held on a Friday evening.

Just one year after its formation, the Townsville Orchid Society organised its first exhibition – in September. Our seasonal Shows have evolved from this first exhibition, although they look very different.

The Exhibition took the form of a display of locally grown orchids as well as a “lantern lecture”. Slides of exotic, colourful orchids and commentary were provided by guest speaker, Mr W. Kirkwood of Cairns. It was held on a Friday night at 8pm – not the 3-day event we have now. No prizes or awards were given.

Interestingly, “a thoughtful gesture on the part of the Society was to present all cut orchids shown to the Red Cross for its Chelsea Flower Show in Brisbane.”

Read the 1948 Townsville Daily Bulletin article about the Exhibition on <https://trove.nla.gov.au/newspaper/page/5604718>.
Go to “Orchid Display and Lecture”.

This article by Jan Allen, March 2022

LOST: The "Eric Boon Memorial Trophy".

This Townsville Orchid Society trophy, which on good authority was an aluminium teapot, has been missing for quite a few years now.

Any information from readers would be appreciated.

Please contact any Committee member.

Minutes from the Management Meeting held Friday, 25 March 2022

Meeting opened: 7.30 pm by President Robyn Dundas

Present: R Dundas, J Knowles, N Grant, R Rasmussen, R Whiting, T McGill, S Fidler, J Cairns, L Johnson, J Allen, H Butler

Apologies:

Minutes: Corrections to previous minutes:

Show set up time, 10.00 am please.

BYO alcohol for the Gala Dinner only, not the show

Merrimac should be Mary McKillop

Motion: That the minutes of the previous meeting be accepted as a true and correct record.

M: H Butler

S: S Fidler

Carried

Business out of the Minutes:

- Is it necessary to have a recording device for discussions held at meetings? Discussion held around time taken to transcribe and deal with files is an issue.
- Send out Minutes within two weeks of the date of the meeting.
- C Stout, has the right as a member to bring up issues at meetings. However her tone and personal attack was unacceptable. Letter sent re concerns in conduct. No reply received.

Correspondence In

Other Society Newsletters for March: Ipswich OS (March meeting postponed due to floods), HR Orchid and Allied Plants (Annual Field Day invitation and Newsletter), American Orchid Society (renewal of membership), Nightcliff OS, NQ Herbs, AOCC March Update, Broms Qld Autumn Show, MOS, Maroochydhore OS, CIDOS, Rockhampton OS, Maclean and District OS, Tropical Qld OS, Gladstone OS, TATOS.

Advertising: Fernland, EcoFiesta (call for exhibitors),

General: Bill CMobile, My Community Directory, Fernland account, OrchidWiz (update available, but will close down on 31 December this year), TQOC Conference sponsorship, Ergon Energy bill, ATO reply re GST, Ingham Field Day requests Marylen Alexander, Maureen Draper, AOS 2022 Annual Election, Zoom video, CheckIn Qld update, Request for Hall booking, Marina Bay Sands Sustainability information, Insurance Update, Bank Statements, Apology G & T Cameron, Quote from Ryan Catholic College re hall hire, TQOC zoom meeting, TOS Financial Reports, TQOC Conference information.

Correspondence Out

Booking of Ingham Field Day bus, Letter for C Stout, Reply to M Draper, TOS Bulletin distribution.

Business Out of Correspondence

- Jeff requested ATO advice re Not-for-profit and Agency guidance, supplied by Joseph Horne from the ATO, received 9 March. Summary is as follows: "In summary, a Not-for-profit is required to be registered for GST once their turnover is over \$150,000. If acting as an Agent in an individual transaction for GST purposes this will mean only the commission amount received will count towards turnover."

If a written ruling is required, it involves many thousands of dollars in tax accountants and tax lawyers. Changes would be necessary in the operations of shows and sales areas including legal preparation of written contracts with vendors.

- EcoFiesta to be held at Anderson Park. Should TOS have a stand to advertise the society and upcoming 75th Birthday celebrations? Vendor sites are free. Would need volunteers to man a stall and give out information. Plants could be available for sale.

Motion: That the inwards correspondence be accepted and the outwards adopted.

M: H Butler

S: L Johnson

Carried

Business arising:

Treasurer's Report

TOS available funds are healthy. Details are available at monthly meetings.

Motion: That the treasurer's reports be accepted and accounts be passed for payment

M: J Knowles

S: S Fidler

Carried

Show Report (Stacey Fidler):

- Box day for Autumn show Friday, 22 April, 9.00 am
- 29 April, 30 April, 1 May Autumn Show
- Thursday, 28 April from 10.00 am set up for show
- Plants can be benched from 1.00 pm, cut off 6.00 pm
- Pencillers needed for Thursday night at 6.30 pm
- Schedule has been prepared by judges
- Clarification of size of sales tables, currently 16 vendors
- Tables to be full for duration of three days to be discussed with vendors
- Potting demonstrations by Noel Grant, Robyn Dundas
- New barcodes printed
- Motion: J Knowles \$1590 float to be drawn for Autumn Show Seconded: J Allen **Carried**

75th Birthday Celebration

- Mary McKillop \$990 quote for Gala Dinner venue
- Ryan Emmaus Hall quote \$4400 for Show
- Emails sent to orchid societies invitation to compete
- Deposits for tables beginning to be received

Building Report – Robert Rasmussen

- Quote received for flooring of hall \$29 496.50 from Aspired Floors
- Catalogue received highlighting suggested products
- TOS to investigate potential grant to assist with cost
- Need to look at cleaning contractor for new flooring and potential list of duties (louvers, skirting boards etc)
- Troy to investigate available grants
- All airconditioners functioning
- Toilet supplies replenished

Hospitality Report – Ruth Whiting

- Shirts ordered
- Rosters organised

Advertising – L Johnson

- Two days of advertising for show
- Leonie will put up Facebook pages
- Request for prominent officials to attend Birthday Gala Dinner including Mayor Jenny Hill, replies yet to be received.
- Discussion held around admin editing of Facebook pages, society members to be held to Code of Conduct. Need to edit by-laws to include social media.
- TOS needs to be careful about the types of information posted. TOS could be held liable for incorrect information which potentially result in financial loss for readers. (eg incorrect dosage of chemicals)

Bowen Field Day 15 May

- \$1600 quote for 57 seater, \$1350 smaller bus
- 40 people at \$40 (members) covers costs, non members \$50
- Extra are bonus
- \$10 for lunch
- Robyn prepared forms for Sunday, emergency contact information for field trips, to be sealed into envelope on trip, will be returned to member at the end of the day, not being retained by TOS

- Cunggulla members to be picked up at Alligator Creek Roadhouse

General Business

- Chris Cobb from Cairns has offered to be a guest speaker for Dendrobiums for April meeting. Will bring plants with him to be available for sale.

New members

- Janet Tout, entered into Novice category

Meeting closed 9.30 pm.

Robyn Dundas - President

Helen Butler – Secretary

Minutes from the General Meeting held Sunday, 27 March 2022

Meeting opened: 1.01 pm by President Robyn Dundas

Present: as per Attendance Book

Apologies: G & T Cameron

Visitors: Helen

- Presentation of orchids and booklets to new members by R Dundas

Business arising from previous minutes:

Motion to rescind the C Stout motion from February General Meeting.

M: J Knowles

S: S Fidler

For 56 / Against 3

Carried

To speak for the motion – Jeff Knowles to move that the C Stout motion from last meeting be rescinded.

- Early engagement advice request – application prior to applying for a private ruling
- Sent Monday following last meeting. Form asked for a description about how you think the law applies to you. Answered all questions from TOS operations.
- As TOS acting as an agency sale, only the 10% commission received from sales comes under the GST rules, not the balance which is handed directly to the vendor, and is not TOS income.
- Reply received 8 days later, Joseph Horne, telephoned, lengthy discussion
- Received written email the following morning, Joseph Horne from the ATO, received 9 March.

Jeff read from email re clarification of GST turnover needing to be above \$150 000 for 12 months, which for TOS it is not.

Jeff read from email re clarification of agent and agency relationship as per supplied email.

Summary is as follows: “In summary, a Not-for-profit is required to be registered for GST once their turnover is over \$150,000. If acting as an Agent in an individual transaction for GST purposes this will mean only the commission amount received will count towards turnover.”

If a written ruling is required, it involves many thousands of dollars in tax accountants and tax lawyers. Changes would be necessary in the operations of shows and sales areas including legal preparation of written contracts with vendors.

- C Stout asked if turnover would be more than \$150 000. Jeff replied no, quoting \$34 000 current year income.

C Lee spoke about the need to be proactive when running a business. Ignorance of the law is no excuse, Agreed that what Jeff has found out satisfied requirements.

C Lee asked about an amendment to original motion, discussion held around whether that is correct meeting procedure. Decision to take a vote on the first motion only.

C Stout asked to speak as to why she had brought the motion forward last month. Majority of members present asked that the explanation was not necessary and asked that the current meeting move on.

Minutes:

Motion: That the minutes of the previous meeting be accepted as a true and correct record.

M: H Butler S. J Allen **Carried**

Correspondence In

Other Society Newsletters for March: Ipswich OS (March meeting postponed due to floods), HR Orchid and Allied Plants (Annual Field Day invitation and Newsletter), American Orchid Society (renewal of membership), Nightcliffe OS, NQ Herbs, AOCC March Update, Broms Qld Autumn Show, MOS, Maroochydhore OS, CIDOS, Rockhampton OS, Maclean and District OS, Tropical Qld OS, Gladstone OS, TATOS.

Advertising: Fernland, EcoFiesta (call for exhibitors),

General: Bill CMobile, My Community Directory, Fernland account, OrchidWiz (update available, but will close down on 31 December this year), TQOC Conference sponsorship, Ergon Energy bill, ATO reply re GST, Ingham Field Day requests Marylen Alexander, Maureen Draper, AOS 2022 Annual Election, Zoom video, CheckIn Qld update, Request for Hall booking, Marina Bay Sands Sustainability information, Insurance Update, Bank Statements, Apology G & T Cameron, Quote from Ryan Catholic College re hall hire, TQOC zoom meeting, TOS Financial Reports, TQOC Conference information.

Correspondence Out

Booking of Ingham Field Day bus, Letter for C Stout, Reply to M Draper, TOS Bulletin distribution.

- EcoFiesta to be held at Anderson Park. Should TOS have a stand to advertise the society and upcoming 75th Birthday celebrations? Vendor sites are free. Would need volunteers to man a stall and give out information. Plants could be available for sale.

Motion: That the inwards correspondence be accepted and the outwards adopted.

M: H Butler S: R Dundas **Carried**

Treasurer's Report

TOS available funds are healthy. Details are available at monthly meetings.

Please note: TOS owns building but lease of the land is up on 1 July 2024.

Motion: That the treasurer's reports be accepted and accounts be passed for payment

M: J Knowles S: K Turner **Carried**

Reports:

Show Report - Stacey Fidler

- Autumn show rosters being passed around
- Senior member needs to be present during the setup on Thursday to help with benching from 1.00 pm
- Novices please enter your plants
- 22 April box day, 9.00 am

75th Birthday

- Hire of Emmaus Hall for the show
- Mary McKillop Centre for the Gala Dinner
- Applied for a grant from TCC hopefully to cover most of the expenses
- Suspended by-laws to allow outside vendors to come and sell and other orchid societies to compete
- Extended prize money with thanks to our sponsors
- Ordering in special ribbons
- C Stout asked about estimated costs
- S Fidler discussed grant information
- Peter asked about any impact on TQOC the previous week, S Fidler discussed that all know about it

Hospitality Report - Ruth Whiting

- Request for slices etc for Autumn Show
- New shirts ordered soon

Building Report – Robert Rasmussen

- \$30 000 quote to replace floor covering for hall, office and hallways to the toilets

New Business

- Ingham Field Day, 10 April, 40 members needed to cover cost of bus, need to pay by end of March.
- If self driving, morning tea 8.00 am
- List is at the shop
- \$30 for bus, \$10 for lunch
- 6.15 am departure from the Orchid Hall, sharp
- Bowen Field Day, 15 May, \$40 members, \$50 for non members, \$10 lunch
- 5.30 am departure, stops on the way south

- R Dundas discussed the By-laws and code of conduct quote from document
- Like to add that committee are normal people without specialised knowledge
- Please be kind and have respect
- J Stevens commented that the committee members are voted into their positions by us, they working long hours without pay and deserve our thanks

Judge's choice:

- Novice Section: Rlc Port of Paradise 'Emerald Isle' owned by Julie Horn
- Hybrid Section: Vanda Ann Hayes owned by Noel Grant
- Species Section: *Prosthechea chacaoensis*, owned by Noel Grant

Technical Advisor: Charlie Truscott

- No matter what you wish to grow you will have issues with Spider Mites
- Video – Life cycle clearly shown, including moulting process
- How to identify problem mites, know about life cycle and adult stage which is when you want to deal with them, identifying the 'goodies'
- False Spider Mite, Red Spider Mite (Two Spotted Mite)
- Predatory mite, quite red in colour, good one, want to keep these
- .5 mm, need magnifying glass, pearl like eggs
- Related to spiders and ticks, they are not insects so normal insecticides will not work on them
- Feed on the chlorophyll, leave behind empty cells
- Can vary from clear/yellow/green in hotter weather to more orange in winter, but two distinct black spots
- Magnifying glass, app for phone Maglite
- Shake plant onto a normal white piece of paper, they will fall off and crawl around
- Can transmit viruses
- False Spider Mite, .3 mm, no web, just silvering of the leaves indicate their presence, about the size of a grain of salt
- Stippling on leaves tell-tale sign, can leave a pink dust
- Winter much slower growth cycle and activity will reduce, but will be present, cycle can be 3 weeks or more
- 35 degrees plus cycle can be one week
- Thrive in hot, dry conditions, hate humidity so keep humidity up
- Miticides include Sorcerer, Omite, Stealth, Acramite, Vertimec, Abamectin, Floramite and Talstar
- Also recommend to use an ovicidal miticide like Paramite or Apollo to kill the eggs left behind
- You will be able to control their numbers, but not eliminate them
- Chemical constituents in order of efficacy: Abamectin, then Bifenazate, Dicofof Bifenthrin, Milbemetin
- Spray after the Autumn show in April and again in spring, end September
- Do a second spray after 10 days if not using Paramite to kill eggs

- Use a different chemical each time
- Charlie like Macromite, Bifenazate doesn't seem to affect the predatory mites
- Advantages of Ovicidal chemical, long lasting control 4-6 weeks, stops eggs and larvae and nymphs development, sterilises the female, safe on beneficials like bees, lacewings and lady beetles and parasitic wasps and predatory mites
- Translaminar movement through to the top of the leaf
- Do roots and leaves of plants, the whole plant
- Apollo can be mixed with Stealth. No affect on adults but kills developing eggs
- Further comparison of Paramite versus Apollo given
- Use the protections as described, they are poisons, suit up
- Biological controls, spray in April, then introduce predatory mites, Persimilis and Californicus
- Charlie prefers Californicus, from Bugs for Bugs, \$22 for a tube, active in high and low temperatures, also feed on thrips, false spider mite and other bugs, Mancozeb will kill them
- Eat all stages of life cycle, very aggressive towards two spotted mites
- Less toxic materials Natrasoap, combine EcoNeem and EcoOil, available from Bunnings
- 2% Rosemary oil, garlic extract, clove oil, mint oil, cinnamon
- 1 L water, 2 teaspoons or 10 gms baking soda, 2 teaspoons or 10 gms Eco Neem oil, 10 mls dishwashing liquid, shake vigorously, happily spray
- When using the hose, use a heavy spray and spray hard on leaves, wash down plant stands or table to keep dust off stand legs
- Do not spray in the heat of the day

Meeting closed 2.43 pm.

Robyn Dundas - President

Helen Butler – Secretary

The Kenneth Alexander MacPherson Memorial Trophy

Did you know there's a trophy for Australasian orchids just for Queenslanders? Ken MacPherson was a well-known orchid hybridist and nurseryman from Proserpine. He is best known for his work in hybridising *Dendrobium* section *Spatulata* orchids, but he also made crosses with *Dendrobium bigibbum*. OrchidWiz shows 47 hybrids produced by him.

Following his death in 1995, Ken's daughter Mary Friederichs created a Memorial Award to honour him and his work with orchids. The Kenneth Alexander MacPherson Memorial Trophy is an annual trophy presented to the best **Australasian native Dendrobium section Spatulata orchid species or hybrid** of the calendar year.

The award is only open to residents of Queensland and only to a section Spatulata *Dendrobium* species or a hybrid with parentage exclusively from this section which gained a quality award or won a first in an open orchid show.

The award is supervised by the Australian Native Orchid Society (ANOS) Kabi Group (in the Brisbane area).

We feel that it is time the Ken MacPherson Award was won by a North Queensland orchid grower, and preferably a member of Townsville Orchid Society!

The nomination form with conditions can be found at the Kabi website:

<https://www.ourshopfront.com/kabi/html/KMacPhersonTrophy.php>

More information about Ken MacPherson and the award can be found at:

<https://www.ourshopfront.com/kabi/images/KMacPhersonTrophy/History.pdf>
